Amenities

The central steering point above the aft cockpit means your skipper has great visibility, which is particularly useful when handling the 440 at close quarters. Below deck, you and your crew have all the privacy you need with 4 cabins and 4 heads, along with one smaller cabin for young children or occasional guest use (accessible from the outside only).

All the beds in the main cabins are large, with island beds in the aft cabins. You can also enjoy a great view from your bed through the huge one-way windows. Lagoon 440 is a wonderful choice for a relaxing sailing holiday.
