

ESTRELLA

Phuket

About this Yacht

Estrella, the Leopard 43 Power Catamaran, is available for luxury private charter in Phuket, Thailand. Designed by Alex Simonis, the yacht showcases improvements in powercat hull efficiency based on the extensive testing program conducted for the Leopard 51 PC. Despite being 8 feet shorter and having 220 less horsepower, Estrella comes close to achieving similar speeds as the Leopard 51 PC. The interior volume of the yacht is 30% larger than its predecessor, the 39 PC, and the flybridge area rivals that of the 51 Powercat.

The yacht offers a range of recreational activities and water toys, including snorkeling gear, fishing equipment, kayaks, Stand-Up Paddle Boards (SUP), inflatable water toys, and a spacious inflatable swimming pool platform at the back of the catamaran.

Estrella's fast yet comfortable cruising options allow for exploration of the surrounding islands off the coast of Phuket, such as the world-famous Phi Phi Islands, Phang Nga Bay National Park (including James Bond Island), Krabi area, Maithon Island, and Khai Islands.

During the charter, guests can relax in the air-conditioned saloon, which offers nearly 360-degree panoramic views through sliding glass doors, a large forward window, and access to the bow.
