Introducing an Innovative Model for Maximum Entertainment.

Experience exceptional panoramic views with this innovative model designed to provide maximum entertainment options. The spacious main deck is perfect for socializing and entertaining with friends and family. Enjoy the Portuguese-bridge bow seating, sunbathing areas, expansive cockpit, and a well-equipped aft galley and saloon on the main deck. The newly configured flybridge offers large sunbathing areas forward and a well-equipped wet-bar, creating the feeling of being aboard a much larger craft. Even the bathing platform and transom 'beach club' are designed for socialization with optional barbecue, fold-away bench seat, and overhead 'rain-shower.' The Manhattan 66 is one of a kind.
